

APPLICATION FOR BERTHOUD BARN QUILT BLOCK

BARN/BUILDING OWNER NAME: _____

MAILING ADDRESS: _____

PHYSICAL ADDRESS OF BARN/BUSINESS/HOME _____

PHONE: _____ EMAIL: _____

DETAILS OF BARN/BUSINESS/HOME – Please describe in as much detail as possible any historical information that would help the viewer understand the history of your barn, business or home. Example: Building description and/or history (Century farm, single family farm, age of barn, etc.). Please provide any details that may be of interest in the promotion of the Barn Quilt Trail. We are building a “culture” of the area.

Is there a safe place for people to pull over and take a picture? _____ We will be instructing the viewers to NOT walk or drive onto *personal property* with regard to your home, business or barn.

To preserve diversity and designs, we will limit one pattern design per location for this trail. The chamber will begin with 12 designs from which you can choose. Check out our website at www.berthoudcoloradobarnquilttrain.com for 12 pre-approved pattern choices. Or, you can create your own design and submit with your application for approval. Please let us know your reasons for choosing your specific block design (on the bottom back of sheet). It could be in honor or memory of someone, or your building or farm has a history with the design. **It will be your responsibility to research to be sure your design is copyright/trademark free.** Please research quilt designs online prior to choosing your personal design to see if it is copyright/trademark free by (searching: barn quilt designs, barn quilt design copyright, barn quilt design trademarked).

Choices:

(1) Chamber Block Design Choice #1 _____
Block Design Choice #2 _____

(2) Creating your own design, please provide a mock-up of the quilt design on the graph provided on back to be reviewed. Please incorporate the colors you intend to use (or a close match), if possible provide paint swatch samples. Check here _____

We will be hosting informational Instructional Barn Quilt Classes. These will help you learn how to create, work on and complete your project on your own. But, here one video example: <https://www.youtube.com/watch?v=zKVKAK42IOg>
